THE THEATRE BLOCK SUIT.—On Monday last in United States Circuit Court before Judge Deady, in the suit of Frances Del[illegible] [illegible] Hall, in equity to enjoin [illegible] and for other relief a motion for a preliminary injunction against defendant was heard. The motion was argued at length by [illegible] for complainant and W. W. Page for defendant. The complainant in his bill alleged that he had the equitable estate in the premises in controversy by reason of certain [illegible] and things therein specified, but admitted that the legal estate was in the defendant Hall. The Court held that unless it appeared that the defendant had due legal estate in the premises he could not prevail in the action at law against the complainant in this suit, [illegible] therefore was neither a necessity nor authority for a court of equity to interfere by injunction. There are two other like suits pending in the same court against the same defendant in one of which Joseph A. Austin is complainant and John Thompson in the other. There was a like motion for injunction in each of them and it denied upon the same grounds. The property in controversy is some lots in what is called the Theatre block. In the course of the argument the question of when a suit in equity can be maintained for a discovery was discussed by counsel for the defendant at some length. The court did not deem it necessary to pass upon it, but suggested whether such a suit could now be maintained in the courts, State or Federal, of this State, because here the same end can be reached directly by making a witness of the party from whom the discovery is sought. The law of this State making parties competent witnesses in suits in equity having been made applicable in the Federal courts by the act of Congress approved July 16th 1862.

THE HURDY GURDY SALOON CASE.—The case of the City vs. Joseph Webber appealed from the Recorder's Court, has been argued in Circuit Court by Lansing Stout, one of the counsel for defendant, and City Attorney Dolph. The charge was brought for violation of city ordinance in keeping open a hurdy gurdy saloon without a city license. The State Legislature having passed a general law at the last session licensing such establishments in the sum of $100 per month it was used in argument to decide the ordinance of the city, which imposes a further penalty of [illegible] per month, void and of no effect. Judge Shattuck rendered his decision on Monday last, in which it is held that the terms "public amusements" and "exhibitions," in the Charter include "hurdy gurdy" dance houses—that the power to license and regulate them is as amply conferred as if they had been named—that the general law did not repeal or suspend this power, since it does not clearly appear that the general law is the only regulations to which they are subject—that in declaring in the last section of the general law that there is no law, etc.," the legislature had reference to *general* laws, and not to this exercise of power, before granted to municipal corporations by the various special laws that had been enacted—that a municipal corporation may regulate further a matter within its specified powers, although such matters have been regulated by general laws. The ordinance is therefore declared valid.

ALL IS PAST.—The holidays are over. People can now prosecute their "callings" in the usual way, and regard first principals with a surveillance and care that shall approximate to wealth. The many enthusiastic admirers of New Year's have now ample opportunities for the realization of their hopes and aspirations. With the recurrence of each annual holiday season the millions perplex themselves with new resolves for the future, too many of which are found sadly wanting with the ides of the coming December. We certainly wish everybody pleasure for the ensuing twelve months, and we would ourselves enjoy it, but Time alone must determine the destinies of man. Innumerable are the gifts that have been treasured up during the intervening week, by all those who were fortunate enough to espouse a cause, retain a place, or breathe the kindred feeling one to another, but those who were not fortunate enough to possess such qualities doubtless fall short of that appreciation so evidenced.

WILLAMETTE THEATRE.—On Monday evening a large and fashionable audience witnessed the play at Willamette Theatre, which was the beautiful drama of "The Creole, or Love's Fetters." The piece is, throughout, a highly sensational one, and contains much to interest an audience. Mrs Hayne as *Bellona*, a Vivandier, was apt, and performed her part with a spiritedness worthy of the play. Mr. Waldron, as the "Creole," sustained the character with becoming favor, and the parts assumed by Mrs. Getzler and Mr Robinson were each sustained with credit. To night the romantic drama of "Rob Roy" will be produced, Mrs Hayne as *Helen McGregor*, a part in which she is decidedly proficient.

REACHED THE MINIMUM.—The Company of Infantry now recruiting in this city by Lieutenants McCown and Gale, reached the minimum number yesterday, and will soon be mustered into the service of the United States. The Recruiting Office will be kept open until such time as the men are mustered, which will terminate enlistments in this city. Those already volunteered are mostly from other counties, and are a fine looking set of men. The country is by no means exhausted, and we predict if it was deemed necessary, Oregon could raise another regiment right away. The cost of recruiting has been much less than was anticipated.

THE PIONEER FESTIVAL AND BALL.—The finest of preparation was made by the "host" and "hostess" of the Pioneer in this city, for a magnificent ball on Monday evening, but owing to a lack of proper management somehow, but few were in attendance. The music, the supper, the hall, everything in fact was got up without regard to expense, and it is deeply regretted that the efforts of the projector was not magnanimously applauded. We will not attempt to show wherein the fault lies, but strictly we must say that when a published management of such an event are announced, success depends upon their action and conference with them is an absolute necessity.

COMPANY D.—By private letter from Lieutenant Hill of Multnomah's Company, Oregon Infantry we are informed that Captain Powell has taken command of the garrison at Fort Dalles. After a stormy and boisterous trip up the river on Saturday, the Company arrived at its destination, and seemed to enjoy the day finely. Upon arriving at the Dalles they took up the line of march through darkness, storm and about five inches of snow traveling over cliffs in rear of Dalles City to the Fort, where they entered their quarters, and after a short rest retired supperless but in excellent heart. Since that evening everything has been arranged for their convenience and the boys" are reported all right.

ARRIVAL OF CONVICTS.—Sheriff White and Deputy Sheriff Tuthill arrived on Monday evening with four convicts for the State Penitentiary sentenced from Wasco county as follows: Charles Bennett, for horse stealing five years; Charles Crolick, six years for theft of $1,600 and two years additional for assaulting the officer making the arrest; Wm Russell, drawing deadly weapon two years; —— Thomas, stealing a mother(?) four years.

AN ASCENSION.—Wassermans fire [illegible] elevated at the good news from Savannah, that they fired up a good sized balloon, after inscribing it to Sherman and Savannah, and sent it forth a messenger of good tidings. It started away with north rising finely as it went [illegible] finally fading away a mere speck upon the universal cloud.

A SMASH UP.—A smash up occurred to a wagon a cigar store, Wells, Fargo & Co's [illegible] a pair of horses, yesterday. We expected a sensation item to grow out of it but nothing unusual occurred except the run away which caused so much consternation from Washington street to Stark, on Front, Alder and First streets.

RECORDER'S COURT.—No cases have been docketed in this court since the beginning of the New Year.

STEPPING AT THE DALLES.—Our friend and former townsman Mr Towle, now proprietor of a branch establishment of Messrs Crandall & Towle at the Dalles, paid Portland a flying visit on Monday evening. He informed us that the snow was of excellent depth for fine sleighing there on Sunday and was generally improved by the [illegible].

PERSONAL.—Hon. J. H. D. Henderson Representative in Congress from Oregon called upon us yesterday. The gentleman will leave for Washington by the next steamship.

A Word to the Aged.—In the decline of life the loss of vital force consequent upon physical decay can only be supplied by some vivifying preparation which recruits the strength and spirits without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged DR. HOSTETTER'S STOMACH BITTERS As an invigorant and restorative immediate in its beneficial action and permanent in its effect. It tones the stomach, improves the appetite, and acts like a charm upon the spirits. The Lungs are the Great Laboratory of the Human System.—When once destroyed they never can be made sound again. We should remove the first cause which tends to their destruction. When sores are forming it is indicated by a cough or pains in the chest, or difficulty of breathing. Now, **Allen's Lung Balsam** will check these symptoms at once if it is used in time, and prevent fatal Consumption.

A Greenback Case!

HAVING BEEN COMPELLED TO ACCEPT OF Legal Tender Notes at par since the 17th day of December 1862, for the rent of my handsome Brick Store, corner of Morrison and Front streets, I feel compelled to announce for the benefit of the public at large that

Jacob Mayer

leased the building of me on the 17th day of February 1862 for a term of years, at which time there was no such currency in vogue and it was understood the terms were CASH. Since the date above stated I have received the depreciated currency regularly under protest for the rent of the

CITY OF PARIS STORE,

Making less than two fifths of the real amount and Mayer was to pay. He had secured the building at very advantageous rates and even were he now to comply with his contract and pay in COIN, would be getting the best bargain in the city. I make this statement to show the public what kind of a man he must be to take such undue advantage of the times to convert a few dollars to himself by LEGAL SWINDLING. The public can readily see what it costs to have such tenants. G W VAUGHN.

HOSTETTER'S

CELEBRATED
STOMACH BITTERS.

THE OPERATION OF THIS PALATABLE REMEDY [illegible] upon the stomach, liver and excretory organs is singularly soothing and conservative. It regulates, regenerates and purifies them. Dyspepsia in all its forms yields to its [illegible] tonic, invigorating properties.

Invigorate the System.

Vigorous digestion and pure bile produce nutritious blood, and nutrition is the basis of a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the digestion may be improved, the bile and the fluids of the body purified?

Dr. Hostetter's Stomach Bitters

Will accomplish this remarkable revolution in the system, regulating the secretions and excretions, giving tone to the animal juice which dissolves the food, strengthening every nerve, tissue, muscle and fibre, and bringing the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.

The blessing of imparting vigor to the broken down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.

Debility, from whatever cause arising, may be cured, strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For indigestion and all its painful effects, bodily and mental, they are a positive specific.

A Word to the Aged!

In the decline of life, the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters.

As an invigorant and restorative immediate in its beneficial action and permanent in its effects. It tones the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females:

Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which as a sex, they are subject. It cheers and enlivens the depressed mental powers, as well as strengthens the body, and its use is never followed by any reaction.

DATES TO DECEMBER 26.

Capture of Savannah.

It is Evacuated by Hardee's Troops, who go to Charleston.

ATTACK ON WILMINGTON!

Burbridge Defeats Breckinridge!

He Destroys $20,000,000 worth of Rebel Property in West Virginia.

Saltville Captured!

From Savannah.

FORTRESS MONROE, Dec. 26.—The steamer *California*, 58 hours from Fort Pulaski, with confirmatory intelligence of the capture of Savannah, arrived last night. On the 20th, Sherman having nearly completed the investment of the city, captured Fort Lee and several minor works in the immediate vicinity of the principal intrenchments surrounding the city, and succeeded in planting his artillery in such close proximity to the rebel lines as to command every position held by the forces under Hardee. He sent a summons by a flag of truce to the effect that if the place was not surrendered the bombardment would at once commence. To this summons the wily rebel General replied, that as his communications were yet open and his men fully supplied with subsistence and stores of every kind, he was enabled to hold out for a long siege, and was determined to hold the city to the very last moment and defend the citizens' property which had been placed under his protection until his forces were compelled to surrender. Every preparation had been made by Sherman to assault the rebel position next day, but when the morning of the 21st dawned it was found that the enemy had evacuated their works. Several regiments of infantry immediately took a position and Sherman entered the city at the head of his body guard and received from the hands of a deputation of citizens the surrender of the place. It appears that Hardee, on the night of the 20th, seeing the impossibility of holding the city, and fearing that the only chance of escape open beyond the Savannah river was likely to be cut off at any moment, determined to avail himself of this route for his retreat. His troops were immediately sent to partially destroy the navy yard and Government stores, and at twilight, under the protection of the iron-clads, succeeded in crossing the river over the causeway to the north side, intending to push forward to Charleston. Thirty-two thousand bales of cotton were stored in the city, which the rebels, in their haste, neglected to destroy. Two iron-clads were sunk; all the Government property which they could not carry off they burned or threw into the river. Four small steamers, one a gunboat, were captured, which, with the cotton and ammunition, go to form part of the victory.

NEW YORK, Dec. 24.—The steamer *Persia*, from Savannah and Nassau (N. P.) has arrived. Nassau papers contain an account of Sherman's army being dreadfully cut up and divided, and of there being 60,000 troops in Savannah to meet him, and of the probability of his escape being doubtful.

NEW YORK, Dec. 27.—The *Commercial's* special dispatch says: Sherman announces to the Secretary of War that he intends to move up the Savannah river immediately and capture Augusta. The news is that he has already done so. Sherman says that after this he will swing around on the rear of Charleston, and destroy all the Railroads on the way.

WASHINGTON, Dec. 27.—The following extracts from Richmond papers of to-day have been forwarded to the War Department by order of Gen. Grant:

An official dispatch from Beauregard received yesterday, states that Hardee reports that a force of the enemy's infantry, artillery and cavalry has moved from Savannah toward the Altamaha river. Hardee has made proper disposition to check the column. Its object is probably to destroy the Savannah and Gulf Railroad and its depots.

No report has been received from Hood's army since the 28th.

The *Herald's* Savannah correspondent says:

The rebel commander has gone up the Savannah river with a couple of gunboats. Wheeler's cavalry, Hardee's infantry and the fleet combined are obstructions to Sherman's advance on Augusta by water transportation.

NEW YORK, Dec. 28.—It is announced here to-day that Gen. Strain's division and a brigade of Kilpatrick's cavalry left Fort McAllister on the 18th in a southern direction to release our prisoners on the Gulf Railroad, 90 miles distant. The intention was to make a rapid march and surprise the enemy. It is reported that nearly all the prisoners from Nashville are at the point named.

Gen. Hick's division of Longstreet's corps left the front of the army of the James last Thursday. It is supposed to have gone to reinforce Bragg at Wilmington or to assist in the defense of Charleston.

From the Army in Tennessee.

NASHVILLE, Dec. 26.—The last accounts from the front locate Thomas' headquarters at Rutherford's Hill yesterday morning, eight miles this side of Columbia. Since that time our forces have crossed Duck river, and moved to a point south of Columbia. Our cavalry force crossed at the ford below Columbia and dashed into the town, the enemy meanwhile retreating without firing a shot. We captured about fifty stragglers. The rebel force was at Pulaski yesterday, and was probably followed by our cavalry. A large portion of Hood's men are without arms and equipments. Anything which could impede their flight has been thrown away. Rebel deserters and prisoners report that the only effective corps of Hood's army is S. D. Lee's. Forrest effected a junction with Hood at Columbia on Tuesday.

WASHINGTON, Dec. 27.—Dispatches from Thomas report him to be still in pursuit of Hood's broken and discouraged forces.

HEADQUARTERS, Pulaski, Tennessee.—To Halleck—I have received the following dispatch from Gen. Wilson:

HEADQUARTERS, Cavalry Corps, Pulaski, Dec. 25.—There seems to be little doubt but the rebels have gone to Breckinridge, eight miles above Florence, to avoid a flank movement from Stevenson. Two corps, Stewart's and Lee's, are on the road to Lexington. Cheatham went towards Lawrenceburg striking the old military road eight miles below Lawrenceburg. People say the rebels are suffering immensely. Gen. Buford's wound is said to be quite severe. Gen. Lee was severely wounded in the foot in the fight at Nashville. His corps is now commanded by Stevenson. The rebels lost 18 Generals, killed, wounded and captured since they started North. They acknowledge that 68 pieces of artillery were lost.

(Signed) WILSON.

A dispatch dated 6 o'clock P. M. on the 25th, states that in pressing the enemy, Harrison's brigade came upon their infantry strongly posted in breastworks, and so close had he pushed upon them, that on being compelled to fall back, he lost one gun. The position was taken afterwards, but the enemy had run the gun off. The rebel force was eight brigades, consisting of 500 or 600 men. Gen. Wood, commanding the 4th corps, is in support of Gen. Wilson. Both will continue the pursuit. I have heard from Steadman to-day. He disembarked his corps from the cars at Leighton Creek, seven miles from Decatur, Ala., and was marching on that place at seven o'clock A. M., to-day.

(Signed) THOMAS.

NEW YORK, Dec. 26.—The *World's* special dispatch says: Official information from Nashville states that Hood's losses from the 13th to the 22d were: killed, 2,650; wounded, 9,720; prisoners, exclusive of wounded, 5,870, with the wounded the prisoners amount to about 15,000. Forty-nine guns were captured from the infantry and eight from the cavalry.

NEW YORK, Dec. 28.—The *Tribune* has the following from Columbia, Tenn., 28th:

The advance of Hood's army reached Florence on the evening of the 21st, and during the whole of the next day his infantry was crossing the river. From Duck river he retreated rapidly to the Tennessee, he not attempting to make a stand. Our cavalry crossed Duck river and had an occasional brush with Forrest's forces, who covered the enemy's retreat. No fighting of any consequence has occurred since the affair at Spring Hill. Tennessee is now free of rebels.

NASHVILLE, Dec. 29.—Union prisoners who escaped from Florence, Ala., and arrived on the 27th at Columbia, that Hood arrived at the Tennessee river on the 21st. Next day his infantry crossed on pontoons, which he had carried above the shoals out of reach of gunboats.

One of the prisoners states that Hood entered Tennessee with 110 cannon, and he counted 23 on his retreat. On Saturday, 24th, when 12 miles this side of the Tennessee river, they heard heavy firing in the direction of Florence; probably Steadman's forces were having an engagement with Forrest.

CINCINNATI, Dec. 29.—A package of Quartermaster's vouchers, amounting to nearly $200,000 approved, was taken from the train captured by the rebels on the Louisiana and Nashville Railroad.

Breckinridge Defeated by Burbridge.

WASHINGTON, Dec. 29.—The following report of Burbridge's operations has been received:

CATLETSBURG, Ky., Dec. 28.—I have the honor to report that my mounted force, 3,000 strong, in co-operation with Gen. Gillem's brigade, the whole under the command of Gen. Stoneman, marched from Bean's Station on the 12th at daylight. At Kingsport I sent two regiments to support Gen. Gillem, who flanked the enemy, routed them, killing, wounding and capturing a hundred rebels, taking a wagon train and 200 prisoners, pursuing them to Bristol, which place we attacked and captured, with two trains of cars, five engines, and immense quantities of stores. I learned that Vaughn was at Zollicoffer, 20 miles below, and marched to attack him but he slipped away in a dense fog and made for the salt works. I discovered his flight in time to head him off at Abingdon, which place I captured on the night of the 14th, with one gun and a large amount of stores, and an engine with rolling stock. Gillem continued the pursuit of Vaughn and coming up with him in a strong position captured 50 prisoners. I sent Browne's brigade to support Gillem who again came on the enemy at Mt. Airy, and drove him in confusion, capturing some prisoners, several pieces of artillery and a large wagon train. Col. Browne's brigade, later in the day, charged the Home Guards, capturing five cannon and eight caissons. Major Humason, of the 12th Kentucky, who had been detached by order of Gen. Stoneman, with 300 men, struck the Virginia Railroad, capturing the cars. He then got in Vaughn's front and continued along the line of the railroad, destroying all the bridges and depots as far as Wytheville, when the expedition started on its return, both men and horses being nearly worn out. We came on Breckinridge who was following. An engagement of six hours ensued, at the close of which Breckinridge retreated towards Saltville, but Col. Buckley with a brigade drove him in confusion towards North Carolina. Col. Buckley effectually destroyed the lead mines near Wytheville. On the night of the 20th after recruiting, our forces captured the salt works with eight pieces of cannon. The expedition has been entirely successful, and will be more felt by the rebels than the loss of Richmond. The salt works of course can't be repaired during the war. My forces are now at this place safe.

(Signed) BURBRIDGE.

LOUISVILLE, Dec. 29.—A reliable telegram from Gun's station, dated the 29th, reports Burbridge's command to be in good shape and returning to Lexington, after a successful expedition. Burbridge destroyed the railroad ten miles beyond Wytheville, Va. Breckinridge was badly whipped and left for North Carolina. The rebel department in Southwestern Virginia has no longer any efficiency.

Attack on Wilmington.

Our fleet commenced the attack on Wilmington, Dec. 24th and continued it all day. It was renewed on Sunday and kept up with vigor until night, and Fort Fisher was much damaged, the houses burned and the garrison driven to the bomb-proofs. A small portion of our troops landed on Sunday afternoon, pushed up to the fort and actually entered the works, capturing one rebel flag from the bastion, and also taking prisoners—a battalion of the enemy who were outside. Our forces were subsequently withdrawn. The same day a party from the *Santiago de Cuba* landed and captured the Sandbag Battery and five men, bringing them safely off. A torpedo boat had been safely launched.

The Richmond papers report that our fleet of over fifty vessels, including two monitors and and several iron-clads, made the attack as above stated; that a force had landed two and a half miles above the fort, which is twenty miles below Wilmington, on high ground on the right bank of Cape Fear river, attacked it in the night and were repulsed, though they own the landing of our troops above the fort is a serious matter, and they cannot easily be dislodged. In a dispatch to Davis, Bragg says: The enemy have embarked under cover of the fleet. The object of the movement is not developed. I have visited Fort Fisher and find the damage slight, except to buildings not necessary to the defence of the place. Only two guns were dismounted. The works remaining indicate that the bombardment was very heavy.

(Signed) BRAGG.

From the Army Hospital—the bloody battle-field—the mansion of the rich, and humble abode of the poor—from the office and the sacred desk—from the mountain top, lowland valleys, and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands and thousands of letters like the following may be seen at our office:

HILLSBORO, Wis., Sept. 15, 1864.

* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters * * * Three bottles restored my speech and cured me.

C. A. FLAUTE.

[illegible] WARSAW, O., July 28, 1863.

* * * One young man, who had been sick and kept out of the house for [illegible] years with Scrofula and Erysipelas, [illegible] paying [illegible] doctors over $150 without benefit, has been cured by [illegible] bottles of your Bitters.

EDWARD WOODALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH ST.,
New York, August 1, 1863.

DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully,

Mrs. O. M. DEVOE.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y.

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend,

ASA CURRIN, Philadelphia, Pa.

* * * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN, Rochester, N. Y.

* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which is daily increasing with the guests of our house.

SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y.
etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T. 1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon, is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure of the maladies above-mentioned, and also—

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLOUR ALBUS,

And in every disease any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once rebraced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor.—The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING, OR PAINFUL
URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT, AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING,

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females,

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.

THE PROOFS OF ITS EFFICACY ARE SO NUMERous, so well authenticated, and of such peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

Certificate of Dr. Hayes,

It is well known that the Medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a Solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by combination in a way before unknown; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It does act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS and GLANDULAR SYSTEM,

and it has great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its consideration, it remained almost useless until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners. (See "American Medical Monthly," July 6, 1856, page 7.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; although pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction even in the MOST CONFIRMED CASES OF CONSUMPTION! IT IS WARRANTED NOT to produce costiveness, (which is the case with most remedies) or affect the head, as it contains no Opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.
